MONTHLY UPDATES

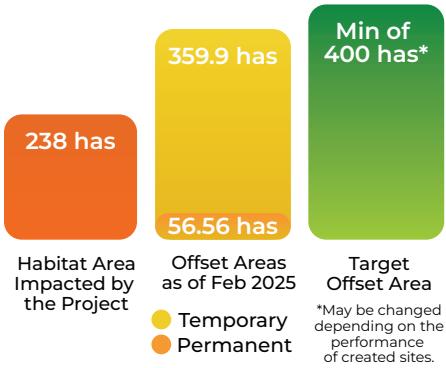
New Manila International Airport Updates for Bulakan LGU as of February 2025

SOARING SUCCESS

THE SMAI BIODIVERSITY OFFSET PROGRAM'S PILOT YEAR

Biodiversity Management

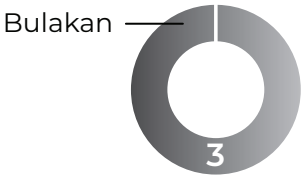
Progress of Offset Site Development



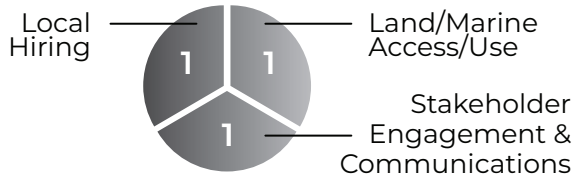
Continuous construction and monitoring of the offset sites in Consuelo, Macabebe, Pampanga, and Hagonoy in Bulacan.

The Nursery maintained a total of 22,762 mangrove seedlings by the end of 2024.

Issue Management and Grievance Redress

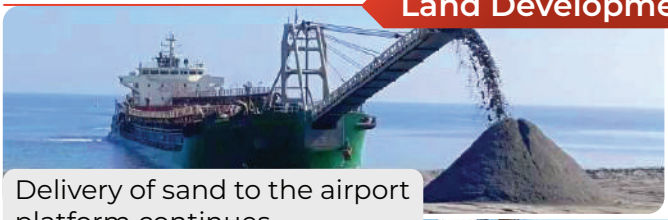


Concerns by Location



Concerns by Type

Land Development



Delivery of sand to the airport platform continues.

Kumusta? Community Engagements

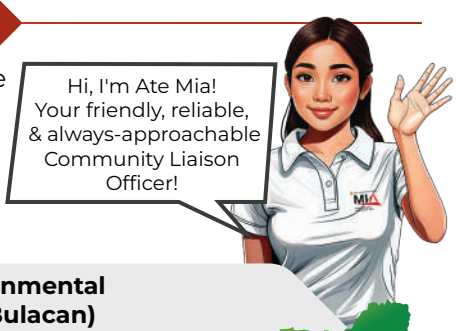
To maintain consistent communication with our partners, the Project engaged with these municipalities:

Municipalities:	4 - Bulakan, Marilao, Meycauayan, Obando
Barangays:	5 - Abangan Norte, Ubihan, Tawiran, Taliptip, Lolomboy
Local Groups:	2 - Solo Parents Group, Relocated PAPs from Sitio Kinse, Brgy. Taliptip, Bulakan
Local Government Office:	1 - DILG IV-A

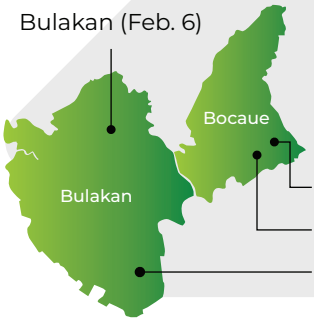
The final distribution of groceries for the 41 Projected-Affected Persons (PAPs) of River Dredging was held at the SMAI Livelihood Center on February 7.

Airport Toll Road

SMAI intends to build an airport toll road (ATR) to facilitate access to the New Manila International Airport for the benefit of the airport users and the general public. As an initial activity, SMAI, as assisted by its consultant GHD Pty Ltd., is conducting an Environmental & Social Impact Assessment with respect to the ATR.



Distribution of Letters on Environmental & Social Baselining Activities (Bulacan)

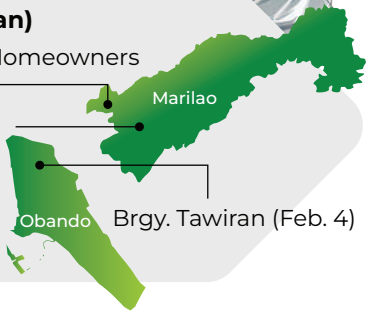


Brgy. Abangan Norte (Feb. 4) - BLGU & Homeowners of Town and Country Exec. Village

Brgys. Duhat & Lolomboy (Feb. 4)

Brgy. Bunducan (Feb. 4)

Brgy. Taliptip (Feb. 4)



Environment & Sustainability Development

Compliance

Participated in the Quarterly Clean-Up Drive at Pandayan, Meycauayan.

Environmental Monitoring

Monitoring of noise and ambient air was conducted in Bulakan, Meycauayan, Obando, Pulilan, Malolos and Marilao.

Water quality monitoring sessions were held on February 4. 6, 11 and 20 in Manila Bay, Brgy. Taliptip, & Bambang in Bulakan, Brgy. Salambao in Obando and Brgy. Ubihan in Meycauayan.

Community Development & Sustainability

SMAI launched a Welding Training-to-Employment Scholarship program, with 24 PAPs participating.

Stars and Rainbow Academy will provide a two-month training before endorsement to Seatrium Subic Shipyard for on-the-job training and potential full-time employment.

March Look-ahead

Airport Toll Road	Community consultation meetings on studies and engagement with the local government units
Environmental Monitoring	Weekly in-situ and monthly ex-situ water quality monitoring, groundwater sampling, ambient air quality and noise monitoring, and platform dust, air and noise inspection
Issue Management & Grievance Redress	Validation and resolution will be held to resolve 15 cases (2 grievances and 13 concerns)
Compliance	Will participate in the monthly Bulakan Solid Waste Management Board Meeting
Land Development	Construction of site accommodation and the replacement of missing demarcation buoys
